## EXHIBIT "B"

BEFORE THE BOARD OF COUNTY COMMISSIONERS OF LANE COUNTY, OREGON

DIRECTOR'S PRELIMINARY  
REPORT

IN THE MATTER OF SETTING A PUBLIC  
HEARING FOR THE PROPOSED SURRENDER  
OF A PORTION OF MILLIRON ROAD (COUNTY  
ROAD NUMBER 339) TO THE CITY OF JUNCTION  
CITY (16-04-17 & 16-04-20)

The City of Junction City has passed Resolution Number 1113, dated February 10, 2015, formally requesting the transfer of jurisdiction of a portion of Milliron Road (County Road Number 339) located within the city limits.

In 2011, in conjunction with development of a new correctional facility and hospital by the State of Oregon Department of Corrections by the State of Oregon Department of Corrections (D.O.C.), Junction City approved the annexation of the D.O.C. site by Ordinance No. 1203 dated March 12, 2011. Annexation File C JC 2011-A-10-02 by Junction City was subsequently finalized and included the subject portion of Milliron Road along with the D.O.C. site. The portion of Milliron Road herein proposed for surrender extends from the easterly right of way of Highway 99 easterly approximately 0.14 mile to the northerly extension of the east line of a public road easement dedicated as part of the D.O.C.'s facility access, commonly known as Dreas Way.

This transfer comes as the final action of an Intergovernmental Agreement (IGA) between Lane County, the City of Junction City and the State of Oregon, by and through its Department of Corrections, authorized in 2012. This IGA in part facilitated improvements to Milliron Road to mitigate the impact of increased vehicular traffic resulting from the construction of the new correctional facility and hospital by the State of Oregon Department of Corrections. All road improvements were completed during the summer of 2013.

Junction City has adopted Resolution Number 1113 formally requesting jurisdiction over the portion of the above mentioned county road, all within the city limits and described in Exhibit "A" of the attached Order, be transferred from Lane County to the City of Junction City.

ORS 373.270 provides for the transfer from county jurisdiction to city jurisdiction of county roads within the corporate limits of a city whenever the county governing body deems it necessary, expedient or for the best interest of the county to do so, and the governing body of the city deems it necessary or expedient and for the best interest of the city to acquire jurisdiction over the county roads or parts thereof to the same extent as it has over other public streets and alleys of the city.

Legal notice for the public hearing to consider the matter of the surrender of this portion of Milliron Road (County Road Number 339) is required by ORS 373.270. Setting this date for

the hearing will allow time for public posting or notice and is recommended as being appropriate.

The surrender of this portion of road will allow the City to have full jurisdiction of the road and to maintain, develop and improve it and the surrounding area to their own specifications, standards and timetables. It is therefore recommended that a public hearing date be established and that legal notice of the hearing be posted or published for the proposal to surrender to Junction City the portion of Milliron Road (County Road Number 339), as described in Exhibit "A."

**DATED** this 19<sup>th</sup> day of May, 2015.
